

**HPA to Host Seminar on Cybercrime - Prevention, Asset Protection and Damage Control
Wednesday May 8th, 2019 @ 5:30pm**

(Chicago, IL) - April 11th, 2019 - Health Practice Advisors, in sponsored partnership with Apex Design Build, and ILMGMA, will be hosting a one-time live presentation on cybersecurity that will feature expert tips on how health organizations can improve the safety and longevity of their businesses.

About HPA

Rooted in the philosophy that patient care comes first, Health Practice Advisors help healthcare businesses leverage their biggest business goals so they can focus their attention on what matters most - their patients. HPA helps healthcare businesses grow their revenue, reduce operational costs, while assisting in other important facets of business including marketing, finance, and communication technology.

Association Advisors

Juan Carlos is the CEO/CIO of CIO Landing. His company provides outsourced CIO and IT consulting and network services to businesses in the Chicagoland area. Juan Carlos implements the overall company strategy, sales & marketing efforts, and is continuously focused on ensuring clients are delighted with his services.

Andy Baskel serves as a member of Horton's Healthcare Practice. With over 16 years of experience in the healthcare industry, Baskel's expert knowledge of the insurance and healthcare industries enables him to provide clients with comprehensive, cost-effective and innovative solutions for their most complex, risk-enhanced challenges.
